

# 1<sup>st</sup> Kiev Clinical Research Forum

*The unique discussing platform for the clinical research industry in Eastern Europe*

**November 9 -10, 2017; Kiev, Ukraine**

[www.conference-pharmasich.com](http://www.conference-pharmasich.com)

The 1<sup>st</sup> Kiev Clinical Forum brings together international experts from industry, regulatory agencies, academia and non-profit boards to share views and knowledge on clinical research among all the participants, providing awesome networking opportunities and adequate discussion between speakers and audience.

## Organiser

The Forum is organized by [PharmaSich](http://PharmaSich), the Ukrainian Life Sciences company, representing Ukraine in EUCROF.

## Patronage

The conference is held under the patronage of the [European CRO Federation](http://European CRO Federation) (EUCROF), the largest European non-profit CRO association.

## Who should attend?

- ❖ Sponsors, CROs and Clinical Trial Vendors
- ❖ Clinical Operations
- ❖ Clinical Development
- ❖ Scientific & Medical Affairs
- ❖ Regulatory Specialists
- ❖ Clinical Purchasing & Outsourcing
- ❖ Clinical Quality Assurance
- ❖ Business Development

## The conference will be considering the topics:

- ❖ Implementation roadmap for ICH E6 (R2)
- ❖ Risk based approaches in clinical trials
- ❖ Regulations (EU, Ukraine)
- ❖ Regional focus (Ukraine, Albania)
- ❖ Clinical Operations
- ❖ Medical Affairs & Clinical Development
- ❖ Innovations transforming clinical trials

## Why attend?

- ❖ 300 delegates from all over the world
- ❖ Very affordable registration fee for this high level event
- ❖ Excellent networking in the friendly atmosphere
- ❖ Meaningful presentations from the best industry experts
- ❖ Interactive roundtable discussions on the actual topics

***Organiser warrants refunding the registration fees to all the delegates who will not find the attendance of the Forum helpful for the lack of meaningful sessions and poor networking!***
